CONTINUOUS PROFESSIONAL LEARNING

Dear NWU Staff member, please complete the form to enable us to complete your registration for the CPL opportunity.

The Continuous Professional Learning Project team from the Centre for Teaching and Learning at the NWU offers a variety of learning opportunities on the CPL calendar for academics and support staff to build their learning path at the NWU.

There are limited licenses and seats for these opportunities which are approximately R 5,000.00 per course. It is thus important that we know that staff who enrol will commit to the completion of these courses.

In the event that a participant does not complete the requested course, CTL will not be able to fund any other CPL opportunity for the duration of 2024.
